RE: Exemption of TCEQ's waste management fee
CES Environmental Services Site
4904 Griggs Road, Houston, Harris County, Texas

Dear Mr. Duncan:

The Texas Commission on Environmental Quality (TCEQ) is the agency in the State of Texas given responsibility for investigating and remediating the sites referred to the state Superfund program. The Removal Action at the CES Environmental Services site is funded by the hazardous and solid waste remediation fee account. Therefore, all waste generated from the site is exempted from the "Industrial Solid Waste and Hazardous Waste Management Fee" in accordance with the 361.136 (i) of *Solid Waste Disposal Act* (codified as Chapter 361 of the Texas Health and Safety Code).

If you have any questions regarding this fee exemption, please contact

Ms. Elvira Yzaguirre
Waste Permit Division (MC 126)

Thank you for your assistance in this matter.

Sincerely,
